

**Elevate your retail experience:
High-volume, high-quality
POS stands from
JC METALWORKS**

OVER 35 YEARS OF EXPERIENCE

SERVING TOP HIGH-STREET BRANDS

At JC Metalworks, we understand the power of impactful retail experiences. For over 35 years, we have been a leading manufacturer of high-volume, high-quality retail Point-of-Sale (POS) and Point-of-Purchase (POP) display stands for some of the most prestigious high-street brands. Our expertise ensures you receive:

VISUALLY STUNNING & BRAND-ALIGNED DISPLAYS

Attract customers and enhance brand recognition with POS stands that perfectly complement your brand identity. We offer a wide range of customisation options, including bespoke designs, high-quality finishes, and seamless integration of your brand logo and messaging.

DURABILITY BUILT FOR HIGH-TRAFFIC ENVIRONMENTS

Our retail stands are built to withstand the demands of busy retail environments. We utilise robust materials and the latest fabrication techniques to ensure long-lasting performance and minimal maintenance.

OPTIMISED FOR FUNCTIONALITY & SALES CONVERSION

We understand the importance of maximising sales potential. Our stands are designed to optimise product visibility, encourage customer engagement, and facilitate a seamless purchasing experience. We incorporate features like acrylic shelving, and integrated signage holders to enhance branding.

SCALABILITY FOR MULTI-STORE ROLLOUTS

Whether you require components, brackets, shelves or whole stands for a large-scale rollout across multiple stores, JC Metalworks has the capacity and expertise to meet your needs. Our high-volume production capabilities ensure efficient and timely delivery of your POS display stands.

PRODUCT DEVELOPMENT & PROTOTYPING

We are well-equipped to handle the complex requirements of retail stands and racks. We excel in creating metalworks for fully functional prototypes, ensuring a seamless transition from concept to final product. We ensure that the final product is visually appealing, structurally sound, and aligns with your vision and requirements.

EXPERIENCED PROJECT MANAGEMENT

Our dedicated project management team ensures a smooth and efficient process, from initial design consultation to final delivery and installation. We take the time to understand your specific requirements and work closely with you every step of the way.

JC METALWORKS: Your trusted partner for retail display solutions

Beyond our extensive experience and high-quality fabrication, we offer several key advantages that make us your ideal partner for retail stands & racks:

UNMATCHED EXPERTISE

Our team of skilled designers, engineers, and fabricators possess a deep understanding of retail display needs. We combine creative vision with functional design principles to deliver impactful and effective retail solutions.

STATE-OF-THE-ART TECHNOLOGY

We invest in cutting-edge technology, including high-precision

laser cutting, automated bending machines, and advanced finishing techniques. This ensures precise manufacturing, consistent quality, and efficient production.

MATERIAL VERSATILITY

We offer a wide range of materials to suit your specific needs and budget. This includes mild steel, high-grade stainless steel, aluminium alloys, zintec and galvanised.

SUSTAINABLE MANUFACTURING PRACTICES

We are committed to responsible manufacturing practices. We utilise eco-friendly materials and processes whenever possible, minimising our environmental impact.

Our services include:

Metal cutting & punching

Metal cutting & punching: We use state-of-the-art machinery to cut and punch metal components for fabrication.

Welding

Our certified TIG, MIG, spot and robotic welding capabilities ensure robust and aesthetically pleasing welds that create a strong and secure structure.

Powder coating

We offer a wide variety of high-quality powder coat finishes to create a durable and visually appealing exterior for your display stands.

Forming

We utilise advanced metal bending technology, including two Amada press brakes, LVD Ultimate bending, Salvagnini and an automatic HRB-ATC Amada press brake. We create custom shapes and structures to meet specific needs.

Assembly

Our experienced team meticulously assembles all components, ensuring a perfect fit and flawless finish.

Packaging & dispatch

We take pride in secure packaging to protect your units during transport. We also efficiently handle dispatch to get your units delivered on time.

TRUSTED BY TOP BRANDS:

Our commitment to quality and customer satisfaction has earned us the trust of some of the most respected names in retail.
